SIHA Charitable Trust

We are pleased to announce the first three Trustees in the latest development in our journey in establishing the 'Subud International Health Association Charitable Trust'.

Namely:
Latidjah Miller
Albatina Phillimore
Elsa van Amern

The application will be made to the Charity Commission for England and Wales, which allows us to have international Trustees. This is a very exciting time for SIHA enabling us to develop and progress as an organisation, allowing fundraising, The aim is for Subud Health Practitioners to reach out into the world (in addition to the services offered to members) working collaboratively with the other Wings to this end.

Would you like to become the New SIHA International Coordinator?

This is an exciting time in the development of 'Subud Health' as a registered Charity. Finances are ripe for developing projects and events reaching out into the world.

Testing takes place at WC.

We may explore the possibilities of testing where a member is not able to be present, as well as joint coordinators.

The Role of the International Coordinator/s:

To become a Trustee for the SIHA Charitable Trust (and Chairperson)

To further develop and work with the SIHA Steering group (we have a well-established and dedicated/enthusiastic group of 8 members)

To facilitate meetings and interactive programs both in person and via Zoom

To promote the development of members' health projects internationally

To ensure good communication within the organisation on an international level

To produce an annual financial and activities report for WSC

To adhere to the Mission Statement of SIHA

To meet the following criteria -

a) Are an active Subud member

b) Has online technical capability/ability to learn (with support)

If you would like to be considered for testing at the WC please test if it is correct to put your name forward with your National Helpers.

You will be joining an enthusiastic and hardworking team working to attain the Aims of SIHA!
